

LAURA JAYNES – DENTAL ASSISTANT

LAURA’S STORY:

Laura had been out of school for seven years and was working in customer service. She wanted to provide a better life for her kids. After dreaming (literally) of being a dental assistant every night for a week, Laura called Provo College to find out more about the program.

PROVO COLLEGE:

Laura enrolled in Dental Assisting at Provo College in November 2009. With two small children at home, Laura was worried about the time commitment but her family were her greatest cheerleaders! Laura enjoyed the hands-on learning opportunities at Provo and loved her instructors. “The instructors really do care about the students and their success. They always put their students first.”

NEW CAREER:

Laura began her internship at Robertson Dental in Spanish Fork while she was still attending classes in Provo College’s Dental Assisting program. Since her graduation, Laura has continued to work for Robertson Dental and is working to expand her knowledge and skills.

“It’s nice waking up every day knowing I will do something to help someone else feel better.”
